

The Smallest Patients. Our Greatest Privilege.

Welcome to The Joseph V. and Suzanne P. Paterno Women and Children's Services Unit at Mount Nittany Health

The largest and most comprehensive labor and delivery unit in the region

Newborns welcomed into our community annually

Provides the healthcare team with new tools, efficient spaces and state-of-the-art technologies

Nationally Recognized and Close-to-Home Care

1 of 10

U.S. News & World Report named Mount Nittany Medical Center as one of only 10 Pennsylvania hospitals to be ranked as high performing for maternity care in its list of Best Hospitals for Maternity.

Care at All Stages of Life

Mount Nittany Physician Group offers care for all stages of life, including family medicine, OB/GYN and pediatric care.

1 and Only

The region's only pediatric hospitalist program - an on-site doctor solely focused on coordinating care during hospital stays.

For more information, visit mountnittany.org/ob-gyn or call 814-231-7000.

Delivering Care and Comfort

2 Large nurseries

2 Waiting and lounge areas

6 New private, spacious labor and delivery rooms

11 Private postpartum rooms with comfort amenities for families

Updated operating room with state-of-the-art technology

Private room for new moms to meet with a certified lactation consultant

Family support areas, including couplet-type spaces - featuring improved accommodations for families

This is a special place close to home where life is celebrated, providing a new, beautiful space for new and growing families.
